Please cancel this order immediately. Someone has hacked my account and used my affirm card in making this purchase. I do not live in California and this is the first time I've ever heard about your website. I have already spoken with Affirm but would appreciate fast action on your part if possible. Please contact me at (501) 707-7779 at your earliest convenience.

Thanks,

Charles W. Kinslow IV, J.D., C.P.A. <https://www.linkedin.com/in/experiencedaccountantlawyer>

Thank you for contacting us. We are sorry that your order is already shipped.

We received your email after we processed and shipped the order. We are sorry that we are unable to make any changes to the order at this time.

Please let us know if you need further assistance.
Thank You.

EXHIBIT / ATTACHMENT: EXPERT LOGISTICS & GEOGRAPHIC ANALYSIS

Merchant Fulfillment Audit & OnTrac Carrier Transport Analysis | Order #PE270138

1. Geographic & Location Identification

Warehouse Origin: Perfume Empire Distribution Center, 3402 Garden Brook Dr, Farmers Branch, TX 75234

Carrier Regional Hub: OnTrac Central Dallas Hub, 802 E Centre Park Blvd, DeSoto, TX 75115

Distance & Highway Route: 36.5 Miles via I-35E South (Estimated transit time: 35 to 45 minutes)

Consumer Verified Address: Monroe, LA 71201 (Billing)

Unauthorized Recipient Address: 81 Keever Ct, San Jose, CA 95127 (Shipping)

2. Logistical Timeline & Loading Dock Staging Window

Timestamp (July 7, 2026)	Location & Zip Code	Operational Event / Status
12:53 PM CDT	Online Order Origination	Unauthorized fraudulent Order #PE270138 initiated via Affirm (.63).
1:27 PM CDT	Farmers Branch, TX (75234)	Digital shipping label generated (EDI data). Item remains on staging dock.
2:19 PM CDT	Monroe, LA (Consumer)	Consumer reports fraud to Affirm (within 86 minutes of order).
4:12 PM CDT	DeSoto, TX (75115)	OnTrac registers first physical laser scan (Origin Scan) 36.5 miles away.

3. Key Evidentiary Findings & Merchant/Lender Negligence

A. Digital Manifest vs. Physical Tender: At 1:27 PM, only an electronic shipping label was generated in Farmers Branch. No physical package had been tendered to any carrier. When consumer reported fraud at 2:19 PM, the physical item remained static in a bulk staging bin inside Perfume Empire's warehouse.

B. Bulk Trailer Staging Window (100% Merchant Control): OnTrac does not scan individual packages at the merchant dock. Packages are loaded onto a bulk staging trailer that sits at the loading dock for hours awaiting scheduled afternoon pickup. Perfume Empire maintained total physical control of the box at 2:19 PM and failed to pull it from the staging pallet.

C. Electronic Laser Intercept Capability: Canceling an order in Shopify instantly flags the digital tracking barcode. When the package passed under the automated sorting laser at the DeSoto hub at 4:12 PM, an automated cancellation flag would have halted shipment and issued a Return to Sender command.
